

## THE AUTUMN LUNCH

On Saturday 7th October sixty five members, family and friends gathered at Hythe Bowling Club for the Society's annual Autumn Lunch and a very enjoyable afternoon was had by all.

After a very enjoyable meal, we were all entertained by John Schoner (above, second from left) who recounted some of his amusing, and sometimes almost unbelievable, memories of his time served as a Justice of the Peace.

Early that morning, a near catastrophe had been avoided. Our caterer, Evelyn Joyce had been taken ill during the night but her fellow cook, Annette, said that she would be able to man the kitchen on her own. Well done Annette... what a trouper!

Without exception we were all impressed by the fantastic group of young people who waited at table. A very special 'thank you' to them, and to the Bowling Club for making us so welcome.
